## HINTS & TIPS

### WHAT WILL BE COLLECTED:

Household white goods, air conditioners, steel, bicycles, furniture & household building materials.

### WHAT WON'T BE COLLECTED:

Green, domestic & commercial waste, gas bottles, car parts, vehicle bodies, tyres, paints, oils, chemicals or other hazardous waste.

Please make sure when placing items on the verge all footpaths are kept clear & pedestrians have safe access to walkways.

For residents requiring assistance please call Council on 8935 9955 at least one week prior to collection.

### PLEASE NOTE:

Contractors will record the address of each property they attend. Items which appear on the verge after the dates specified will not be collected. Individual household items deemed to be of a commercial quantity will not be collected & it will be the responsibility of the owner to correctly dispose of the waste.
