

Dear Neighbour,

You may not be aware, but your dog has been barking and may be causing a noise nuisance within our neighbourhood.

I thought I would contact you first to express my concerns.

The below log gives you an indication of when and why your dog is barking.

Day and date	Time barking started	Time barking stopped	What the dog is barking at

City of Palmerston offer tips on how to help control problem barking, and holds pet education workshops, which you can learn more about on their website www.palmerston.nt.gov.au

The Council also have a dedicated Animal Education Officer who can visit and talk to you about causes of problematic barking and how to manage it. You can contact Council on (08) 8935 9922.

I hope you find this information useful and it can help resolve the issue, resulting in a happy dog and happy neighbours, and to avoid this matter progressing any further.

I appreciate your prompt attention to this matter.

Thank you and kind regards,

Your Neighbour
