FROM:  Director of Technical Services
REPORT NUMBER:  8/0722
MEETING DATE:  20 August 2015

Summary:

Land Development Corporation (LDC), Northern Territory, has requested Council consent to the subdivision of Lot 11498 which contains a drainage easement vested to Council. This report recommends that Council sign and seal all documents related to the acceptance of the subdivision and the establishment of the drainage easement.

General:

The LDC has developed part of Lot 11498 and sold a parcel to the owner of the new Rydges Hotel. Council has accepted infrastructure such as roads, stormwater drainage, street lights, footpaths and trees servicing the development. LDC is now in the process of transferring the title registration of the site to the hotel owner.

The parent lot (Lot 11498) contains a drainage easement vested to Council as shown on the survey plan LTO2015/098 attached to this report (Attachment A). To proceed with the subdivision, the property owner (LDC) requires Council’s consent to the registration of the drainage easement on the subdivided lot.

There will be no effect on the location and performance of the drainage easement as a result of the subdivision until the balance of the lot is developed.
